

# AquaTone<sup>TM</sup> RO

---

## Product Description & Application

**AquaTone RO** is a concentrate conditioning additive for soft water and / or water treated with Reverse Osmosis, used for fountain solution preparation.

## Features & Benefits

- Concentrated additive, free of chloride hardness
- Neutralizes the negative influence of extremely soft water conditions
- Enhances performance stability and consistency of the fountain solution mixture

## Usage Instructions

- Determine the hardness of the treated / raw water used for making the fountain solution mixture
- Addition of 0.5% AquaTone RO to hardness-free water achieves approximately 150 - 170 ppm as CaCO<sub>3</sub> (8 - 10°dH German hardness)
- Dilution may be altered to suit the specific requirements
- AquaTone RO is recommended for addition to the raw water prior to addition of fountain solution concentrate

## Storage, Handling & Packaging

- Storage & Handling : Store between 5°C - 30°C in a dry, well-ventilated area. Keep the container away from direct sunlight and tightly closed when not in use. Opaque container should be used for decanting and storage. The use of gloves and goggles is recommended while handling AquaTone RO
- Packing : 20 litres
- Precautions : Avoid skin and eye contact

Our Planet is our most vital resource. We must do all we can to preserve it. We at TechNova have embarked on a “Go Green” mission. Our objectives are :

- To promote Green awareness within TechNova, with our stakeholders and within the Indian printing industry.
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment.
- To comply with, and go beyond, all applicable legal requirements with regard to the environment, and help our customers achieve the same.

To assist the printing industry to “Go Green”, TechNova has introduced a bouquet of Green products :

- Chem-free Digital Plates
- Process-free Inkjet CtP Solutions
- Alcohol-free & Alcohol-reducing Founts
- Aromatic-free Press Washes
- VOC-free Cleaners & Deglazers

All Product Information Capsules for TechNova’s Green products carry the “Go Green” symbol.

### Corporate Profile

- Since inception in 1971, TechNova has introduced several new breakthrough technologies.
- Recognised as one of the world’s leading manufacturers of imaging products.
- Markets products to over 65 countries through its overseas offices and distribution network.
- Serves various industries such as print & publishing, packaging, textiles, engineering, signage, advertising, geology, photography, business graphics and medical imaging.

### Product Portfolio

- Thermal CtP Systems
- Violet CtP Systems
- Inkjet CtP Systems
- Digital & Analog Plates
- Flexo Plates
- Graphic Art Films
- Graphic Chemistry
- Diazo Chemistry
- Offset Printing Blankets
- Inkjet & Laser Media
- Diazo Media
- Screen Print Solutions

### Highlights

- India’s only and world’s 4th largest manufacturer of digital printing plates.
- Long term technical collaboration with Agfa Graphics.
- Only company outside of North America, Europe and Japan to receive the coveted GATF InterTech Technology Award.
- Recipient of the Davos-based World Economic Forum’s “Top-performing, Global Growth Company Award” in 1997 and “Technology Pioneer Award” in 2000.
