

Azura Cleanout Gum

Product Description & Application

Azura Cleanout Gum is ready-to-use neutral water based gum for Azura TS & Azura TU Thermofuse plates.

The non image areas of an Azura plate are easily removed by application of the gum and the use of simple brush rollers. This is a PHYSICAL PROCESS, as opposed to the conventional wet chemical process for “traditional” digital plates. The gum has a dual role: washing the non image areas away and protecting the grained and anodized aluminium.

Features & Benefits

- pH neutral; Ease of disposal
- No replenisher required; Reduced consumption
- Cleanout Gum works under Plateroom temperature; No temperature settings required
- Consistent performance throughout the bath life; Zero plate failure
- Negligible or no sludge; Longer bath life

Usage Instructions

- Clean the cleanout unit with water
- Keep cleanout unit lids closed during usage

Storage, Handling & Packaging

- Storage & Handling : Protect from direct sunlight. Store at moderate temperature (below 35°C) in a dry, well ventilated area. Keep the containers tightly closed. The use of gloves is recommended
- Shelf-life : 12 months from the date of manufacture
- Packing : 20 litres
- Precautions : Use of hand gloves and goggles recommended. Avoid contact with skin and eyes. Read MSDS before using this product

Our Planet is our most vital resource. We must do all we can to preserve it. We at TechNova have embarked on a “Go Green” mission. Our objectives are :

- To promote Green awareness within TechNova, with our stakeholders and within the Indian printing industry.
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment.
- To comply with, and go beyond, all applicable legal requirements with regard to the environment, and help our customers achieve the same.

To assist the printing industry to “Go Green”, TechNova has introduced a bouquet of Green products :

- Chem-free Digital Plates
- Process-free Inkjet CtP Solutions
- Alcohol-free & Alcohol-reducing Founts
- Aromatic-free Press Washes
- VOC-free Cleaners & Deglazers

All Product Information Capsules for TechNova's Green products carry the “Go Green” symbol.

Corporate Profile

- Since inception in 1971, TechNova has introduced several new breakthrough technologies.
- Recognised as one of the world's leading manufacturers of imaging products.
- Markets products to over 51 countries through its overseas offices and distribution network.
- Serves various industries such as print & publishing, packaging, textiles, engineering, signage, advertising, geology, photography, business graphics and medical diagnostics.

Product Portfolio

- Thermal CtP Systems
- Violet CtP Systems
- Inkjet CtP Systems
- Digital & Analog Plates
- Flexo Plates
- Graphic Art Films
- Graphic Chemistry
- Diazo Chemistry
- Offset Printing Blankets
- Inkjet & Laser Media
- Diazo Media
- Screen Print Solutions

Highlights

- India's only and world's 4th largest manufacturer of digital printing plates.
- Long term technical collaboration with Agfa Graphics.
- Only company outside of North America, Europe and Japan to receive the coveted GATF InterTech Technology Award.
- Recipient of the Davos-based World Economic Forum's “Top-performing, Global Growth Company Award” in 1997 and “Technology Pioneer Award” in 2000.
