

LubRoll™

Product Description & Application

LubRoll is a premium, lubricating solution in liquid form for dry running units for an offset press.

Features & Benefits

- Compatible with conventional inks; hence eliminates the need to clean rollers post usage
- Reduces press down time; charging of ink on this unit is possible without cleaning the residues of LubRoll
- Excellent lubrication property, gives optimum protection; ideal for high speed presses also
- Helps prevent roller damage; primary function is to reduce heat built up and friction; recommended to use temperature measuring laser gun for validation

Usage Instructions

- Clean the rollers using regular press wash up solvent
- Apply LubRoll; pour directly on the top roller of ink train from user friendly container
- Run the press at idling speed to ensure even coverage
- Add more if the roller train is not evenly covered or as required
- Start printing
- When dry unit is to be used for printing, charge the ink without wash up unless using light / critical colour

Storage, Handling & Packaging

- Storage & Handling : Protect from direct sunlight. Store at moderate temperature in dry, well-ventilated area. Keep containers tightly closed when not in use. Use of hand gloves is recommended.
- Shelf-life : 12 months from the date of manufacture
- Packing : 500 ml
- Precautions : Avoid contact with skin and eyes

Our Planet is our most vital resource. We must do all we can to preserve it. We at TechNova have embarked on a “Go Green” mission. Our objectives are :

- To promote Green awareness within TechNova, with our stakeholders and within the Indian printing industry.
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment.
- To comply with, and go beyond, all applicable legal requirements with regard to the environment, and help our customers achieve the same.

To assist the printing industry to “Go Green”, TechNova has introduced a bouquet of Green products :

- Chem-free Digital Plates
- Process-free Inkjet CtP Solutions
- Alcohol-free & Alcohol-reducing Founts
- Aromatic-free Press Washes
- VOC-free Cleaners & Deglazers

All Product Information Capsules for TechNova’s Green products carry the “Go Green” symbol.

Corporate Profile

- Since inception in 1971, TechNova has introduced several new breakthrough technologies.
- Recognised as one of the world’s leading manufacturers of imaging products.
- Markets products to over 51 countries through its overseas offices and distribution network.
- Serves various industries such as print & publishing, packaging, textiles, engineering, signage, advertising, geology, photography, business graphics and medical diagnostics.

Product Portfolio

- Thermal CtP Systems
- Violet CtP Systems
- Inkjet CtP Systems
- Digital & Analog Plates
- Flexo Plates
- Graphic Art Films
- Graphic Chemistry
- Diazo Chemistry
- Offset Printing Blankets
- Inkjet & Laser Media
- Diazo Media
- Screen Print Solutions

Highlights

- India’s only and world’s 4th largest manufacturer of digital printing plates.
- Long term technical collaboration with Agfa Graphics.
- Only company outside of North America, Europe and Japan to receive the coveted GATF InterTech Technology Award.
- Recipient of the Davos-based World Economic Forum’s “Top-performing, Global Growth Company Award” in 1997 and “Technology Pioneer Award” in 2000.
