

## NovaDelete™ P

---

### Product Description & Application

NovaDelete P is an image remover fluid for presensitised positive long-run plates.

### Features & Benefits

- Ready-to-use fluid
- Enables rapid removal of unwanted image areas
- Does not creep away or spread from the contact area
- Does not attack the anodised layer of the plate

### Usage Instructions

- After developing, rinse the plate thoroughly and apply a finishing gum
- Shake the bottle well before use
- Apply the fluid directly on the areas to be deleted using a fine brush
- Leave the solution in contact for approximately 60 seconds with light brushing
- Repeat application if necessary. Rinse the plate with fresh water and squeeze off excess water
- Apply a finishing gum and buff dry

### Storage, Handling & Packaging

- Storage & Handling : Store at moderate temperatures in a dry, well-ventilated area. Protect from direct sunlight. Keep the containers tightly closed  
The use of gloves and goggles is strongly recommended while handling NovaDelete P
- Shelf-life : 12 months from the date of manufacture
- Packing : 100 ml
- Precautions : Avoid skin and eye contact

Our Planet is our most vital resource. We must do all we can to preserve it. We at TechNova have embarked on a “Go Green” mission. Our objectives are :

- To promote Green awareness within TechNova, with our stakeholders and within the Indian printing industry.
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment.
- To comply with, and go beyond, all applicable legal requirements with regard to the environment, and help our customers achieve the same.

To assist the printing industry to “Go Green”, TechNova has introduced a bouquet of Green products :

- Chem-free Digital Plates
- Process-free Inkjet CtP Solutions
- Alcohol-free & Alcohol-reducing Founts
- Aromatic-free Press Washes
- VOC-free Cleaners & Deglazers

All Product Information Capsules for TechNova’s Green products carry the “Go Green” symbol.

### Corporate Profile

- Since inception in 1971, TechNova has introduced several new breakthrough technologies.
