

## Product Description & Application

**Novakleen** is an emulsion cleaner and scum remover for non-sensitised aluminium plates.

## Features & Benefits

- Ready-to-use solution
- Rapidly removes scum and ink from the plate surface
- Controlled emulsion to suit easy application
- Easily removed with water

## Usage Instructions

- Shake the container vigorously to re-disperse the solvent phase and the aqueous phase of the emulsion
- Apply gently over the areas to be cleaned using clean lint-free cloth or sponge
- Buff down and wet wash the applied areas with a damp sponge
- Desensitise the plate with gum and buff down
- For best results, use on damp plate surface

## Storage, Handling & Packaging

- Storage & Handling : Protect from direct sunlight. Store at moderate temperatures in a dry, well-ventilated area. Keep the containers tightly closed when not in use. The use of gloves is strongly recommended while handling petroleum hydrocarbon based cleaners.
- Shelf-life : 12 months from the date of manufacture
- Packing : 1 & 5 litres
- Precautions : Keep away from sources of heat, sparks, open flame and static electricity charges. Novakleen should not be left on the image areas without buffing down for prolonged periods. Post wash-up with water ensures best results. Not recommended for use with presensitised plates.

Our Planet is our most vital resource. We must do all we can to preserve it. We at TechNova have embarked on a “Go Green” mission. Our objectives are :

- To promote Green awareness within TechNova, with our stakeholders and within the Indian printing industry.
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment.
- To comply with, and go beyond, all applicable legal requirements with regard to the environment, and help our customers achieve the same.

To assist the printing industry to “Go Green”, TechNova has introduced a bouquet of Green products :

- Chem-free Digital Plates
- Process-free Inkjet CtP Solutions
- Alcohol-free & Alcohol-reducing Founts
- Aromatic-free Press Washes
- VOC-free Cleaners & Deglazers

All Product Information Capsules for TechNova's Green products carry the “Go Green” symbol.

### Corporate Profile

- Since inception in 1971, TechNova has introduced several new breakthrough technologies.
- Recognised as one of the world's leading manufacturers of imaging products.
- Markets products to over 51 countries through its overseas offices and distribution network.
- Serves various industries such as print & publishing, packaging, textiles, engineering, signage, advertising, geology, photography, business graphics and medical diagnostics.

### Product Portfolio

- Thermal CtP Systems
- Violet CtP Systems
- Inkjet CtP Systems
- Digital & Analog Plates
- Flexo Plates
- Graphic Art Films
- Graphic Chemistry
- Diazo Chemistry
- Offset Printing Blankets
- Inkjet & Laser Media
- Diazo Media
- Screen Print Solutions

### Highlights

- India's only and world's 4th largest manufacturer of digital printing plates.
- Long term technical collaboration with Agfa Graphics.
- Only company outside of North America, Europe and Japan to receive the coveted GATF InterTech Technology Award.
- Recipient of the Davos-based World Economic Forum's “Top-performing, Global Growth Company Award” in 1997 and “Technology Pioneer Award” in 2000.
