

Posidel™ R

Product Description & Application

Posidel R is a red coloured deletion gel for use with all types of presensitised positive plates

Features & Benefits

- Rapid removal of image
- Strong red colour ensures high visibility on the plate
- Low odour
- Does not spread from the contact area

Usage Instructions

- Shake the bottle well before use
- Apply Posidel R to the unwanted area of the image using a cotton wool bud or fine brush
- Leave for 30 to 60 seconds, lightly brushing the unwanted area occasionally. Wash with water
- The image should be completely removed. Squeeze excess water from the plate
- Finish with Unifin or a good quality plate finisher. Always replace the cap on the bottle after use

Storage, Handling & Packaging

- Storage & Handling : Store at moderate temperatures in a dry, well-ventilated area. Protect from direct sunlight. Keep the containers tightly closed. The use of gloves and goggles is strongly recommended while handling Posidel R.
- Shelf-life : 12 months from the date of manufacture
- Packing : 100 ml
- Precautions : Avoid skin and eye contact

Our Planet is our most vital resource. We must do all we can to preserve it. We at TechNova have embarked on a “Go Green” mission. Our objectives are :

- To promote Green awareness within TechNova, with our stakeholders and within the Indian printing industry.
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment.
- To comply with, and go beyond, all applicable legal requirements with regard to the environment, and help our customers achieve the same.

To assist the printing industry to “Go Green”, TechNova has introduced a bouquet of Green products :

- Chem-free Digital Plates
- Process-free Inkjet CtP Solutions
- Alcohol-free & Alcohol-reducing Founts
- Aromatic-free Press Washes
- VOC-free Cleaners & Deglazers

All Product Information Capsules for TechNova's Green products carry the “Go Green” symbol.

Corporate Profile

- Since inception in 1971, TechNova has introduced several new breakthrough technologies.
