

UV Uniwash™

Product Description & Application

UV Uniwash is a universal wash-up solution for all printing processes using UV curing inks and / or varnishes.

Features & Benefits

- Ideal for manual use
- Strong cleaner for UV silk screens
(In case of extreme sensitivity, UV AutoWash is recommended as a gentler alternative)
- Recommended for undiluted use
- Safe on baked positive and CtP thermal plates
- Water washable

Usage Instructions

Apply the solution directly. Rinse away the residue. Finish with water. The use of squeeze bottles is recommended for controlled consumption.

Storage, Handling & Packaging

- Storage & Handling : Store at moderate temperatures in a dry, well-ventilated area, away from direct sunlight. Keep the containers tightly closed when not in use. The use of gloves is recommended.
- Shelf-life : * 6 months for net content
12 months for product performance
- Packing : 5 litres tin containers
- Precautions : Avoid prolonged contact of the product with unbaked PS positive and CtP thermal plates. Store away from sources of heat, sparks, open flames and static electricity charges. The use of gloves or barrier cream is strongly recommended while handling press washes.

* This product is highly evaporative in nature.

Our Planet is our most vital resource. We must do all we can to preserve it. We at TechNova have embarked on a “Go Green” mission. Our objectives are :

- To promote Green awareness within TechNova, with our stakeholders and within the Indian printing industry.
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment.
- To comply with, and go beyond, all applicable legal requirements with regard to the environment, and help our customers achieve the same.

To assist the printing industry to “Go Green”, TechNova has introduced a bouquet of Green products :

- Chem-free Digital Plates
- Process-free Inkjet CtP Solutions
- Alcohol-free & Alcohol-reducing Founts
- Aromatic-free Press Washes
- VOC-free Cleaners & Deglazers

All Product Information Capsules for TechNova’s Green products carry the “Go Green” symbol.

Corporate Profile

- Since inception in 1971, TechNova has introduced several new breakthrough technologies.
- Recognised as one of the world’s leading manufacturers of imaging products.
- Markets products to over 51 countries through its overseas offices and distribution network.
- Serves various industries such as print & publishing, packaging, textiles, engineering, signage, advertising, geology, photography, business graphics and medical diagnostics.

Product Portfolio

- Thermal CtP Systems
- Violet CtP Systems
- Inkjet CtP Systems
- Digital & Analog Plates
- Flexo Plates
- Graphic Art Films
- Graphic Chemistry
- Diazo Chemistry
- Offset Printing Blankets
- Inkjet & Laser Media
- Diazo Media
- Screen Print Solutions

Highlights

- India’s only and world’s 4th largest manufacturer of digital printing plates.
- Long term technical collaboration with Agfa Graphics.
- Only company outside of North America, Europe and Japan to receive the coveted GATF InterTech Technology Award.
- Recipient of the Davos-based World Economic Forum’s “Top-performing, Global Growth Company Award” in 1997 and “Technology Pioneer Award” in 2000.
