

VioStar™ Gold Developer & Replenisher

VioStar Gold Developer & Replenisher

Product Description & Application

VioStar Gold Developer is a ready-to-use developer designed for use with VioStar Plus photopolymer plate. It is formulated for the initial processor bath filling.

VioStar Gold Replenisher is ideal for replenishing the bath in order to maintain optimum development.

VioStar Gold Developer and Replenisher are designed to give optimum speed of development and enhanced bath life with negligible sludge formation. They are suitable for use in all leading processor models.

Features & Benefits

- Ensures best possible dot reproduction of correctly exposed plates
- Consistent performance throughout the bath life
- Wide temperature latitude
- Negligible sludge level resulting in ease of cleaning
- Longer bath life offers operational efficiency

Usage Instructions

- Clean the processor with CtP processor cleaner
- Fill the developer tank upto the overflow level
- Put the replenishment tube in the replenisher can
- Set processor as per recommended processing parameters
- Keep processor lids closed during usage

Storage & Handling

- Storage & Handling : Protect from heat & direct sunlight. Store at moderate temperature (below 35°C) in a dry, well-ventilated area. Keep containers tightly closed
- Shelf-life : 12 months from the date of manufacture
- Packing : 20 litres
- Safety : Use of hand gloves and goggles recommended. Avoid contact with skin and eyes. Read MSDS before the product.

Our Planet is our most vital resource. We must do all we can to preserve it. We at TechNova have embarked on a “Go Green” mission. Our objectives are :

- To promote Green awareness within TechNova, with our stakeholders and within the Indian printing industry.
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment.
- To comply with, and go beyond, all applicable legal requirements with regard to the environment, and help our customers achieve the same.

To assist the printing industry to “Go Green”, TechNova has introduced a bouquet of Green products :

- Chem-free Digital Plates
- Process-free Inkjet CtP Solutions
- Alcohol-free & Alcohol-reducing Founts
- Aromatic-free Press Washes
- VOC-free Cleaners & Deglazers

All Product Information Capsules for TechNova’s Green products carry the “Go Green” symbol.

Corporate Profile

- Since inception in 1971, TechNova has introduced several new breakthrough technologies.
- Recognised as one of the world’s leading manufacturers of imaging products.
- Markets products to over 51 countries through its overseas offices and distribution network.
- Serves various industries such as print & publishing, packaging, textiles, engineering, signage, advertising, geology, photography, business graphics and medical diagnostics.

Product Portfolio

- Thermal CtP Systems
- Violet CtP Systems
- Inkjet CtP Systems
- Digital & Analog Plates
- Flexo Plates
- Graphic Art Films
- Graphic Chemistry
- Diazo Chemistry
- Offset Printing Blankets
- Inkjet & Laser Media
- Diazo Media
- Screen Print Solutions

Highlights

- India’s only and world’s 4th largest manufacturer of digital printing plates.
- Long term technical collaboration with Agfa Graphics.
- Only company outside of North America, Europe and Japan to receive the coveted GATF InterTech Technology Award.
- Recipient of the Davos-based World Economic Forum’s “Top-performing, Global Growth Company Award” in 1997 and “Technology Pioneer Award” in 2000.
